School Based Health Center

Error! Reference source not found.The *Glasscho Hope Wellness School Based Health Center* (SBHC) was established in 1994 as a community outreach to increase access to health care for high risk teens in the Jasper County School district. In 1996, BJHCHS, Inc. began partnering with the Beaufort County School District to offer medical services at the Broad River Elementary. Over the years the SBHC program has become a vibrant community partnership with the local school districts and has expanded from four hours of medical service per week to currently providing weekly medical, nutrition, and social worker services in nine schools throughout Jasper and neighboring Beaufort County. Services are available at the following schools during regular school hours (* Indicates Dental Clinic at location):

Program Information Overview

School Based Health services are provided by a Certified Family Nurse Practitioner, Pediatrician, Registered Dietitian and Licensed Independent Social Worker or Licensed Master's Social Worker and do not take the place of the family/student's regular physician, but rather is offered as a convenience to parents while allowing students to remain at school and continue their academic class work. Confidential, comprehensive service is offered at an affordable cost to all students enrolled in elementary, middle, or high school grades. Parental consent is required for students to participate in the program.

Health Services offered include:

- ✓ Health Promotion/Disease Prevention
- ✓ Alcohol and Drug Abuse Counseling
- ✓ Wellness & Nutrition Counseling
- ✓ Acute Episodic Care
- ✓ Lab Tests
- ✓ Screenings
- ✓ Mental Health/Social Worker Counseling

Dental Program Services:

Preventive and restorative dental services are provided on a weekly basis at the **Broad River Elementary, Whale Branch Elementary, Whale Branch Early College High School, and Ridgeland Elementary** SBHC sites. This service is available to all students enrolled in the SBHC program with parental dental consent.

The **Ronald McDonald Mobile Care unit** provides hygienist services at no cost to select schools in Beaufort, Jasper, and Hampton county elementary schools that do not have an established SBHC.

The **Glasscho Hope Wellness Mobile unit** provides dental hygienist services to **Hardeeville-Ridgeland Middle School** in Jasper County, in addition to servicing elementary schools in **Hampton District 1** and **Hampton District 2** elementary, middle, and high schools.
